# ARPA GRANT FUNDING

RELEASE & REALLOCATION | Board of Water Resources

In 2022, the Utah Legislature allocated grant funds through the American Rescue Plan Act (ARPA) for secondary water providers to install secondary meters. If you are a secondary water provider and no longer need these funds for secondary meter installation (as outlined by [Utah Code 73-10-34](#)) or need to convert these funds, please complete the following.

*ARPA funding recipients must officially accept, reject or convert their approved funding by **January 1st, 2024**. Failure to respond by this date will result in ARPA funding application withdrawal.*

Please sign and return this document with the necessary documentation to [SecondaryMeterInfo@utah.gov](mailto:SecondaryMeterInfo@utah.gov).

## RELEASE & REALLOCATION OF GRANT FUNDING

Please indicate one of the following:

Upon declaring exemption status, \_\_\_\_\_ agrees to release the ARPA grant funding received from the Board of Water Resources back to the board.

Upon declaring exemption status under Subsection (13)(a)(iii)\*, \_\_\_\_\_ wishes to convert the previously allocated funding for secondary meters to an alternative water conserving project, as found in Utah Code 73-10-34.5. An updated cost estimate for the new project is included with this document.

*\*Only secondary water providers declaring Exemption (13)(a)(iii) qualify for converting funds. ARPA funds cannot be used to purchase and install meters at strategic points approved by the state engineer.*
