NPS Cmt 102	Clarification: Former McDonalds parking lot is not within the park, but it does offer a view to the park.	Please see the attached Extended Narrative document for the response to comment NPS No. 102.	visual
NPS Cmt 103	Effects having consistency with the existing landscape character may not be sufficient to fulfill Glen Canyon NRA's mission to "preserve and protect scenic (features)" in the area. Only specific NPS judgement can assess this; the NPS requests that the statement be revised to reflect that.	<p>The text is revised to reflect that NPS judgment is the final determination as requested.</p> <p>A sentence is added to the end of the first paragraph of section 5.3.16.2.2.2, Chapter 5, Exhibit E of the License Application to read: Within the GCNRA, an assessment that effects have consistency with the existing landscape character may not be sufficient to fulfill Glen Canyon NRA's mission to "preserve and protect scenic (features)" on NPS administered lands. NPS will make the final determination of this assessment for NPS administered lands.</p>	visual
